📄 Nitin Sharma

## EDUCATION

**University Department, Rajasthan Technical University, Kota**

2023-2026

*Bachelor of Technology in Computer Science and Engineering*

CGPA: 7.71

**Government Ram Chandra Khaitan Polytechnic College**

2020-2023

*Polytechnic Diploma in Computer Science and Engineering*

CGPA: 9.11

**Nehru Public School, Suroth**

2020

*Board of Secondary Education, Rajasthan*

Percentage: 83.83

## EXPERIENCE

**Ranktubosys Web Solutions Pvt. Ltd.**

May 2026

*Software Development Intern*

Jaipur

- Engineered scalable, SEO-friendly web applications using Next.js, React.js, Material UI, and SSR, creating reusable components that enhanced performance, maintainability, and search engine rankings.
- Integrated and validated 20+ Spring Boot RESTful APIs through asynchronous data workflows and Postman testing, improving application reliability and contributing to high-quality delivery in an Agile development lifecycle.

**Abhi Fire Safety Services LLP**

May 2025

*Software Development Intern*

Jharkhand

- Built 20+ reusable React.js components using Material UI, reducing development effort by 30% and ensuring consistent UI across multiple application modules.
- Integrated and validated 15+ RESTful APIs using asynchronous data handling and Postman, reducing API-related defects by 40% and improving application reliability in Agile development.

**Defence Research and Development Organisation (DRDO)**

May 2024

*Research Intern (Quantum Computing)*

Delhi

- Explored quantum computing concepts using Qiskit and Python, developing foundational knowledge of quantum circuits, qubits, and quantum algorithms.
- Applied Qiskit and Python to build and simulate quantum computing solutions, including the implementation of Shor's Algorithm for quantum factorization and algorithm analysis.

### Other

- Infosys Springboard Virtual Internship 6.0 Dec 2025
- Web Development & Digital Marketing Internship - Birla Institute of Scientific Research (BISR), Jaipur July 2022
- Soft Skills and Communication Internship - Malviya National Institute of Technology (MNIT), Jaipur July 2021

## PROJECTS

**Navi-Gator - RTU Campus Navigator**

Dec 2025

*Mobile-responsive campus navigation and routing solution*

- Tools & Technologies Used: React.js, Geolocation APIs, MUI
- Developed an interactive campus navigation system with real-time pathfinding and routing algorithms, enhancing navigation efficiency for 500+ RTU students.
- Deployed the application on Netlify, ensuring high availability, cross-platform compatibility, and reliable performance.

### Coursekro

*Online Educational Study Platform*

- Tools & technologies used: HTML, CSS, JS, Google Drive, Github Pages
- Built a study platform for CSE students providing materials and video resources. Implemented front-end design using HTML, CSS, and JavaScript with Drive integration.

### Others

*Personal or client projects*

- Play-Quiz — Android Quiz App
- NexsPhere Global - Client Website (Responsive Web App)
- Ekrashak A Multi-Vendor Agriculture E-Commerce Platform

## TECHNICAL SKILLS AND INTERESTS

**Languages:** Java, Python, SQL

**Developer Tools:** VS Code, Postman, Git, GitHub, IntelliJ IDEA

**Frameworks:** React.js, Next.js, Flask, Django

**Cloud/Databases:** MySQL, Avien, Firebase

**Areas of Interest:** Engineering, Technology
